

## Antonia™

### Support

- **Variform Advanced Pocketed Coil™ Springs**

Rows of triple woven individually Pocketed Coil® springs are interspersed with either rows of firmer or softer Beautyrest® Pocketed Coil® springs for unbelievable body support and a greater range of comfort choices between models.

- **True Foam Edge**

High-density foam encased seating edge provides enhanced support and durability.

### Comfort

- **Plush and Plush/Firm models available**

- **Fine Performance Fabrics**

- **Natural Latex Foam**

- **High Performance Foams**

- **Modal Yarn Blended with Breathable Cashmere**

- **Transflexion™ Comfort Technology**

Ensures your bed will feel as wonderful when you get it home as it did when you first tried it in the store.

### Added Features

- **Boxmetal Corner Guards**

- **10-year Non-prorated Warranty**

- **No-Flip Design**

The no-flip design and high performance coil unit offer long-lasting durability.
